When traveling for work or pleasure, don't leave home without your most vital travel assistant – your BlackBerry® smartphone. Did you know your BlackBerry smartphone can be your map & compass, travel guide and translator? These and other tips for smooth travels below. Bon Voyage!

## Travel Better Tips – across country or abroad

When you emerge in an unknown place, time, dates and surroundings can seem confusing. Fear not. Your BlackBerry smartphone gives you access to valuable travel apps and can even help you map out your trip so you don't miss the Statue of Liberty.

### Set sail:

- › Travel apps to help you get the most of your trip, from phrase book to guide book
- › Sync your BlackBerry smartphone with the current time zone
- › Check your roaming options
- › Map out your trip ahead of time
- › Check in with mobile boarding passes
- › Be prepared – what else to take with you

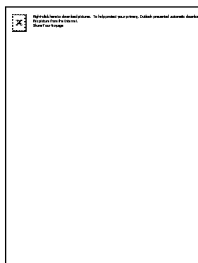

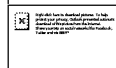

## Share Your Voyage

Part of a great trip is being able to brag about it later...or during. Share pictures and stories of your visit to the Eiffel Tower, or how you stumbled across a quaint little town you never knew existed. Let your friends share in your experience while also creating a record you can reminisce over later.

### Set sail:

- › Share your trip on social networks like Facebook®, Twitter® and via BBM™
